Checklist

Things to make sure you bring with you to regionals:

1. Competitor student IDs. If a competitor can't produce a valid student ID on the day then they cannot play;
2. Kit – might sound stupid but if you have a club kit make sure it's in the car. Please also bring an away kit, or a set of bibs. Teams which are the away team will have to change or wear bibs in the event of kit clashes.
3. Any booking forms you have – if you are staying at a hotel, need a booking form for a car or van etc, then make sure you bring those along
4. First Aid kit – bring one along to make sure your players can be patched up on the day. Also make sure you are aware of any special requirements your players may have, such as needing an inhaler pitchside etc. You are responsible for your players at the event.
